

THHN HOODY'S

THHN offers families who have seriously/terminally ill children and bereaved families and couples free action packed holidays, giving families vital breaks away from the living nightmares they call life.

Our holidays also enable them to build precious memories they will treasure forever as sadly for some it has been the last holiday they have taken as a complete family before losing a beloved child to a cruel illness.

You can support THHN by buying one of our stunning hoody's that are available in five different colours – white, royal blue, navy blue, Kelly green and hot pink.

We have all sizes starting from 1 – 2yrs in children's sizes right up to XXL in adult sizes.

The tops are available with or without zips and are fully embroidered and cost £30 each.

To place your order please call Luke on 01803 327353 or email luke@thhn.co.uk

Giving families memories to treasure forever
